Treasurer

Dr. Trevor Apple
Superintendent

Mrs. Peggy Simmons
Deputy Treasurer

December 3, 2020

To the SV Family:

Springs Valley Community Schools will operate 100% virtually beginning Monday, December 7 through December 22. This is for all students preK-12. We will have no classes in the buildings. All classes will be held online. This change is due to an excessive number of staff on quarantine due to being close contacts. We still have low numbers of positive cases as we have been reporting for the past few weeks.

Teachers and building principals will communicate more details, but here are the basics:

- On Monday, December 7 and Tuesday, December 8, students will have assignments from their teachers posted on Google Classroom.
- Every day after that, students will receive Google Meet invitations from their teachers. This is how they will join the class online.
- On day 3 (Wednesday, December 9) and after, elementary students will join their classes from 8-11 daily.
- On day 3 and after, junior/senior high students will be on a two-hour delay schedule daily with classes starting at 10:10. They will meet with each teacher at the normal class time for that schedule. This schedule will be followed every day.
- Students are expected to be on time to class. Log in early. Attendance will be taken. Attendance will be based on participation and completion of class assignments.

Student meals, breakfast and lunch, will be distributed on Tuesdays and Fridays from 3:30-5:30 PM in front of the high school entry. There will be enough meals for each day of the week.

If you are a family who has poor or no Internet connection, please contact the office at 812-936-4820 (elementary) or 812-936-9984 (junior/senior high). If you have Verizon cell service and no or poor Internet, we have a limited number of wireless devices that will provide a wireless network for your child to use. We also have flash drives available. We will download student assignments onto the flash drives. No Internet connection will be needed for this option. More information about this will be coming soon.

All athletics will continue as scheduled. This is because we are going virtual for staffing reasons, not COVID cases in the school. This includes practices and games at all levels.

Please continue to report all positive COVID tests and close contact situations to the school. This is important for record-keeping and for making sure our athletes remains safe

Please do not hesitate to call 812-936-4474 if you have any questions.

Sincerely,

Trevor Apple, Superintendent
