

Here are a few important reminders/updates:

- Springs Valley Community Schools will offer meal pickup for students on Tuesdays and Fridays from 3:30 - 5:30 PM at the high school entrance. All are welcome to participate.
- I will be sending a meal survey form through Remind and on Facebook so we can determine approximately how many meals we need to prepare. Please respond to the survey if you intend to pick up meals for your student or students.
- Parents are asked to continue to report absences to the office during our virtual learning.
- Students are expected to participate live with their classes, but if that is a problem for your family the daily lessons will be recorded and available for viewing later. We just ask that if this is going to be the case you notify the office so we will know why students are not joining live.
- We will be sending out more information for students with poor Internet access or no access at all. We have a few options available for those students.

Thank you for your continued support.
