

2022-2023 ILEARN Rescore Request Process

Dear Parent or Guardian:

Your student participated in the ILEARN assessments during the Spring 2023 test window. In accordance with Indiana Code 20-32-5.1-12(d), parents and schools must have an opportunity to review and/or request a rescore for any eligible open-ended item(s) which students responded to on the ILEARN assessment.

If you are interested in participating in this process, you must make arrangements to visit our school office to view your student's responses to any open-ended ILEARN items and request any rescoring. There is not a separate online portal for parents to access this information. Remote or virtual meetings to share test content are not allowed.

Parents or guardians must sign and date a Non-Disclosure Agreement (NDA) at the school before viewing any test content. All test content (e.g., passages, items, responses, scoring rubrics) is secure and must not be discussed, shared, distributed, or duplicated in any way. The rescore request window is the only time student responses to open-ended items are visible. Items and responses will **not** be available outside of the rescore request window. Secure test content will remain in the item pool for possible use in future test administrations.

At your meeting, you may view images of your child's response to each open-ended item, as well as related sample score-point responses and scoring rubrics to help you decide whether to request a rescore for the response. The principal will submit any rescore request(s) on your behalf in the online platform, if desired. A rescore request can only be submitted one time for an item. Once a rescore request is submitted, the request and/or score change cannot be reversed and the item image will no longer be visible. **Pursuant to Indiana Code, ILEARN rescore requests may result in an increased or decreased scale score.**

The ILEARN rescore request window ends June 2nd. Final results for all 2022-2023 ILEARN assessments will become available electronically for schools on June 30, 2023. Student results will be final at that time and reflect any properly submitted rescore request data.

If you wish to review your student's open-ended responses to determine if you would like to request a rescore, please contact your student's building principal to schedule a meeting.

Sincerely,

Dr. Kyle Neukam, Jr./Sr. High Principal

Dr. Matthew Williams, Elementary Principal
