Dear Springs Valley Community,

This letter is to inform you that due to a strike by Sysco truck drivers, schools and restaurants are experiencing delays in food deliveries. Aramark, our food service management company, is doing its best to minimize the impact on Springs Valley Community Schools. However, due to the uncertainty of food delivery dates/times, it may be necessary for food service staff to alter breakfast and/or lunch menus while the strike is ongoing. What you see indicated on the menu may or may not be available due to the delivery delays caused by this unfortunate circumstance. All meals provided will continue to meet USDA requirements.

We hope that the Sysco truck driver strike is resolved soon. In the meantime, we appreciate your understanding and patience as we make needed adjustments.

Sincerely,

Trevor Apple  
Superintendent
