Springs Valley administers a weighted grading system. The following courses use a weighted scale when figuring into a student's GPA.

**Courses with a weighted GPA of +1 include: Pre Calculus, Trig, Finite, Chem II, English 11 Honors, English 12 Honors, Adv English Lit (12th), Creative Writing, Children's Literature, Speech.

**Courses with a weighted GPA of +.5 include: Art History, Studio Art, Music History.

Semester averages for grades 6-12 will be determined by weighting each grading period as 40% of the semester grade and the final exam as 20% of the semester grade unless a student is exempt from taking finals. Final grades for students who are exempt from semester finals will be determined by averaging both 9 weeks' percentages. Final exam exemption qualifications – see attendance section.

ACCESS TO GRADES ONLINE: Parents, guardians and students are encouraged to follow academic progress through our student management system, Skyward . By clicking on the Portfolio tab in Skyward you can view or print a copy of your child's past and current report card and progress reports. Skyward can be accessed via the school website- <http://www.svalley.k12.in.us>. If you do not know your Skyward login and password, please contact the high school guidance office.

SCHEDULING: During the spring of each year students will request courses for the following year. Students will be assisted by the guidance counselor in choosing courses that are appropriate for the student's ability, fulfill requirements for the student's chosen diploma track, and correlate with the student's chosen career path and interests. Students are expected to give careful consideration to course selections. After students receive their final schedule from the guidance counselor, schedules will only be changed for the following reasons: to fulfill requirements, failure of class, course cancellation, to balance class size, and/or teacher recommendations. If a student has any unusual circumstances they feel should warrant a schedule change, they must fill out a change of course form from the guidance office.

DUAL CREDIT COURSES: Springs Valley offers students the opportunity to earn numerous college credits while still in high school. The dual credit courses are taught at Springs Valley and Lost River Career Center, in conjunction with IU's ACP program, Vincennes University's Project Excel program and Ivy Tech's dual credit program. Check with the Guidance department for more information regarding these classes.

DIPLOMA TRACKS AND GRADUATION PATHWAYS: Students have the opportunity to complete the requirements for any of the four Indiana high school diplomas. Diploma requirements can be found on the Indiana Department of Education website- <https://www.doe.in.gov/student-services/student-assistance/indiana-graduation-requirements> Starting with the class of 2023, students will have to complete a Graduation Pathway to graduate. Information on Graduation Pathways can be found on the Indiana Department of Education website: <https://www.doe.in.gov/graduation-pathways>

TOP TEN PERCENT AND CLASS RANKING SYSTEM

1. Only those students who attend high school (grades 9 – 12) for eight semesters will be considered for valedictorian, salutatorian and top 10 percent honors.
2. Only those students who complete the requirements for Core 40 with Technical Honors or Core 40 with Academic Honors will be eligible for valedictorian or salutatorian and top 10 percent honors.
3. Grade Point Averages will be based on eight semesters to determine all class ranks. Ranks will be based on the 4.0 weighted grading system.
4. Whenever a move-in student gets the valedictorian or salutatorian honor simply because he/she has had the opportunity to take more classes than currently enrolled students, the move-in and current student(s) will share the honor. This is only possible when there is a virtual tie with the number of courses being the only differential. A virtual tie is defined as the same number of grades below an A.
5. A student may repeat a course; however, a new grade earned will not replace the first grade earned in determining the GPA. Both grades will be used in calculating the G.P.A.

***ALL COURSES A STUDENT TAKES, WITH THE EXCEPTION OF DRIVER'S EDUCATION, WILL COUNT IN DETERMINING THE GRADE POINT AVERAGE.**

ACADEMIC LETTERS: Students will have the opportunity to receive Academic Letter Awards throughout high school. These awards are based on the weighted GPA scale and start the sophomore year. If students receive all academic letter awards and have a 4.0 or higher weighted GPA their senior year they are eligible to receive an academic ring.

ATTENDANCE

IC 20-33-2-5 Days of attendance Sec. 5. A student for whom education is compulsory under this chapter shall attend school each year for the number of days public schools are in session: (1) in the school corporation in which the student is enrolled in Indiana; or (2) where the student is enrolled if the student is enrolled outside Indiana. As added by P.L.1-2005, SEC.17.

IC 20-33-2-6 Students required to attend Sec. 6. A student is bound by the requirements of this chapter from the earlier of the date on which the student officially enrolls in a school or, except as provided in section 8 of this chapter, the beginning of the

fall school term for the school year in which the student becomes seven (7) years of age until the date on which the student: (1) graduates; (2) becomes eighteen (18) years of age; or (3) becomes sixteen (16) years of age but is less than eighteen (18) years of age and the requirements under section 9 of this chapter concerning an exit interview are met enabling the student to withdraw from school before graduation; whichever occurs first. As added by P.L.1-2005, SEC.17. Amended by P.L.242-2005, SEC.17.

Excused Absences: Excused absences are defined as absences that the school corporation regards as legitimate reasons for being out of school, as included in the school policy. These could include:

- Illness verified by note from parent/guardian
- Family funeral
- Maternity
- Military Connected Families (e.g. absences related to deployment and return)

For grading purposes parent/guardian has 48 hours/2 school days to provide proper documentation of above excused absences.

Exempt Absences: Exempt absences are defined as absences which will not count against the student's permanent attendance record. These could include:

- Medical absence verified by note from physician
- Family funeral (immediate family - 5 calendar days; family relative - 2 calendar days)
- Court or legal appointment verified by note from legal counsel

Unexcused Absences: Unexcused absences are any absences not covered under the definition of excused or exempt absences. Students WILL NOT be allowed to make up missed work for unexcused absences.

NON-CREDIT STATUS: A student accumulating 8 or more absences (excused or unexcused) in a semester for any class(es) may be placed on a non-credit status in the class(es). Students with 8 or more absences in any class will not be eligible to miss class for field trips, extracurricular activities, or co-curricular activities for at least the remainder of the semester.

CREDIT RECOVERY: A student who accumulates 8 or more absences in a class and is placed in the non-credit status for the class may request to recover class periods by serving the number of Thursday schools assigned by administration.

JH STUDENTS WILL NOT TAKE FINAL EXAMS. Attendance is expected of all students in grades 6-8 on final exam days.

FINAL EXAM EXEMPTION FOR GRADES 9-12: A HS student may qualify for final exam exemption in all classes except advanced placement/dual credit courses. AP/DCC students must take their final exam for the course. A student who has met all other exemption requirements but taking an AP/DCC exam is the only exception to signing out once the AP/DCC final exam is completed. All students who are not exempt for each class for any of the following reasons must remain at school the entire day.

Exemption can only be attained on a full day status by meeting the following requirements in each class:

1. The student cannot have a missing assignment in any course for the entire semester. Teachers will determine deadlines for assignments. Administration will set the final cut-off date for all assignments to be turned in each semester for students to qualify for exemption.
2. The student cannot receive a discipline referral resulting in an after school consequence or any type of suspension. An assigned Thursday school for credit recovery will remove a student from final exam exemption.
3. The student must have a passing grade in each 9 weeks report in all classes for that semester. A failing grade in any class removes the possibility for final exam exemption.

Any student who is exempt from taking his/her final exams may choose to take a final exam to improve his/her grade risk free. If the exam score improves his/her current percentage for the class, the final will be counted. If the exam score does not improve the overall score, it will not be counted.

E-Learning exemption option: HS students who are exempt from final exams have the option of completing coursework online from home for their classes during final exam days. A student who is exempt and completes online coursework will

be marked present for the school day. Any student who does not complete an assignment for each class will be marked absent in each class with a missing assignment.

STUDENT CAMPUS INFORMATION

Latex Balloons: Springs Valley Jr.-Sr. High School enforces a "NO Latex Balloon" policy. No latex balloons are allowed on school property, buildings, or school buses.

Passes for leaving school: Students that need to leave school must bring a note from a parent/guardian and get approval from administration before leaving school.

Publication/Recognition Policy: Springs Valley Schools use many forms of publication to recognize our students and staff. Any parent/guardian wanting to restrict his/her child(ren) from being publicized needs to turn in a written notice to the Junior Senior High School office.

School Dances: Springs Valley dances are intended for Springs Valley students. All school rules apply while attending a dance. Prom is the only dance where a Springs Valley student can bring a guest. All guests must have an approved pass turned in before the Prom. Passes can be picked up at the office.

Student Displays of Affection: Physical contact between two students in any way deemed inappropriate by staff and/or administration is prohibited.

Visitors: Any person not enrolled or employed with the school corporation must report to the office before entering the building. Parents are always encouraged to participate with their child(ren) and teachers, but it is our priority to maintain a safe learning environment at all times.

STUDENT SEARCH AND SEIZURE

Reasonable suspicion of any student being involved in an insubordinate activity will warrant a search of all student belongings. See corporation policy 5771 for full explanation of policy.

SUBSTANCE ABUSE POLICY

To better provide prevention/intervention services to our students, SVHS has adopted the following substance abuse policy. It serves to protect the students of SVHS by promoting an environment free of substance abuse.

This policy pertains to any student while on school premises, within 1,000 feet of school premises, at school sponsored events, activities, functions, or while being transported under school jurisdiction. This policy covers the use, possession, and/or distribution of all illegal, prescription, and over the counter drugs. It also includes the possession of drug paraphernalia. School officials may discover a violation through voluntary admission or findings by school officials, based upon observation and/or firsthand information.

REASONABLE SUSPICION: Reasonable suspicion will be defined as a staff member detecting visual or sensual signs of possible use. Reasonable suspicion may arise from, but is NOT limited to, the following:

- A student's behavior
- A student's physical condition
- Related information communicated to an administrator by a teacher, parent, student or other adult.

In certain instances involving reasonable suspicion, a student may be requested to take a breathalyzer, urine test or other drug test.

Discipline: With any drug related violation, school authorities will inform a law enforcement officer. The student's parents will be notified as soon as possible.

Upon determination of policy violation, the student will be placed on a 10 day out-of-school suspension and recommended for expulsion. On a first occurrence the expulsion may be waived if the student enrolls in an approved substance abuse program. Upon enrollment in the program and after serving his/her required suspension, the student may return to school. Failure to comply with a substance abuse treatment plan, in a timely manner, will result in expulsion. A second offense during a student's career at Springs Valley Community Schools will result in expulsion.

The selling or distributing of drugs or alcohol to others forfeits the waiver to return to school during the semester the student committed the offense.

The school administration will always be the determining authority and will retain the option of not offering the student and/or parents/guardians the alternative counseling and/or waiver program if the severity of the violation was such that automatic expulsion was the only responsible course of action. In all cases the school administration will be the final authority.

TEXTBOOKS, CHROMEBOOKS AND SCHOOL SUPPLIES

Textbooks: For the convenience of students and parents, textbooks and chromebooks are provided on a rental basis. Textbook, chromebook and instructional material fees are to be paid at the beginning of each school year. All school materials are the responsibility of the student to whom they are issued. These items must be returned in the same condition as received at the end of each semester. Lost or damaged textbooks and chromebooks must be paid for at replacement cost.

VEHICLE/STUDENT DRIVER INFORMATION

Automobiles, motorcycles, and bicycles must be parked in designated or student parking areas. Students are not to drive or ride during school hours without office permission. Vehicles should be locked and no student shall be in the parking lot until school is dismissed.

All student vehicles must be registered with the office and must display a valid parking permit. Parking permits are to be obtained from the office at the beginning of the school year. Students will sign up for designated parking spots in the student parking lot.

Rule C-8-1: "Contestants' conduct, in and out of school, shall be such as:

- a. Not to reflect discredit upon their school or the Association**
 - b. Not to create a disruptive influence on the discipline, good order, moral or educational environment of the School."**
1. The student's extra curricular career begins for each student on the first day of school their freshman year (or upon enrollment for transfer student) or the first day of IHSAA sanctioned practice their freshman year, whichever comes first, and continues for the entire four (4) years or as long as a student is a member of an extra-curricular program.  2. For Junior High Students, their career begins on the first day of school their 6th grade year or the first day of sanctioned practice their 6th grade year, whichever comes first, and continues for the entire three (3) years or as long as a student is a member of an extra/co-curricular program or athletic team.
 3. Each teacher, sponsor, director and/or coach may establish team rules, which are applicable only to his/her program, building upon the policy currently set.
 4. The academic standards and rules of conduct, as outlined in the Springs Valley Jr./Sr. High handbook, have been established and are applicable to all students. These would include, but not limited to: grades, class attendance, behavior at school and school functions, and overall compliance with such standards and rules. Violation of such student academic standards and rules in an offense resulting in in-school or out-of-school suspension will be a violation of the IHSAA Rule C-8-1a and of this Student Code of Conduct.

Violation of the Student Code of Conduct shall result in the imposition of a penalty. Once assessed, if the violation is deemed severe enough by the administration and/or the athletic department, participation will be determined on a case by case scenario.

FIRST OFFENSE

An infraction by a student which would result in a suspension from school will include a suspension of a minimum of 25% of the scheduled contests for that program as long as the performance is not related to an academic grade. If the suspension falls at the end of a season and the full penalty of 25% of contests cannot be fulfilled, the penalty shall carry over to the postseason tournaments, then to the next program in which the student participates.

SECOND OFFENSE

If a student is suspended for a second time from school there will be a suspension of a minimum of 50% of the scheduled contests for that program as long as the performance is not related to an academic grade. If the suspension falls at the end of a season and the full penalty of 50% of contests cannot be fulfilled, the penalty shall carry over to the postseason tournaments, then to the next program in which the student participates.

THIRD OFFENSE

If a student is suspended for a third time then he/she will be suspended from participation in any program for one calendar year (365 days) from the date of the third offense. A student participating in a program with academic based performances will be put under review by administration, supervising sponsor and fellow sponsor to determine future eligibility.

FOURTH OFFENSE

A student suspended for a fourth time will be banned from participation in extra/co-curricular programs during his/her enrollment at Springs Valley Schools.

ACADEMIC MONITORING PROGRAM

A monitoring program will be in place for all students participating in extra/co-curricular programs:

- a.) Students academic progress and attendance will be monitored by the athletic office, guidance office, and principal's office through our Skyward information and grading system.

- b.) In the event that a student's academic performance is marginal as evidenced by receiving an F or due to attendance, he/she will be placed on academic probation. If students do not attend the required study tables, he/she may not participate in contests until their required study tables are made up.

- c.) The teacher, sponsor, director and/or head coach will receive grades weekly and it will be the supervisor's responsibility to make sure to notify his/her participating students of the academic probation.

- d.) Academic probation will mandate the student to attend study tables before and/or after school until he/she has maintained a passing grade in all courses.

- e.) Students who are determined ineligible as a result of poor scholarship by IHSAA rules, may not participate in contests until their scholastic eligibility is reestablished at the end of the following grading period. Please refer to IHSAA regulations.

FURTHER EXPLANATIONS

1. Scheduled contests are based on the rules the IHSAA sets forth for all varsity teams. Cheerleading contests will be determined by the total number of games they are scheduled to participate in.

EXTRA/CO-CURRICULAR AND STUDENT DRIVERS SUBSTANCE ABUSE CLAUSE

At no time is a student participating in extra/co-curricular activities nor any student that drives to school, allowed to use or be in possession of any form of alcoholic beverage, tobacco, illegal substance or drug. Violation of or failure to produce a clean random drug test would constitute an infraction of this clause.

Students enrolled in extra/co-curricular activities are also subject to be suspended from participating in practices and contests according to the following guidelines for students in grades 6-12. If participation is academic based with a grade, the infraction will be assessed by the supervisor of the program and principal.

Student drivers are subject to having driving privileges to school revoked and notification sent to the Bureau of Motor Vehicles.

See Corporation Policy 5530.01

FIRST VIOLATION: A student in extra/co-curricular activities who is in violation of the substance abuse clause will be suspended indefinitely from contests/programs until he/she enrolls in an approved substance abuse program. A student will also serve a suspension for 25% of scheduled contests in that season. If the suspension falls at the end of a season and the 25% penalty of contests cannot be fulfilled, the penalty shall carry over to the postseason tournaments, then to the next program in which the student participates.

SECOND VIOLATION: The student will be suspended for **one calendar year** (365 days) from the date of the violation.

THIRD VIOLATION: The student shall have participation privileges revoked for the remainder of the student's school career.

With any violations, the student will forfeit all program awards (free throw, mvp, etc...) but may still be able to keep his/her varsity letter if he/she still qualifies.

FELONIES, MISDEMEANORS, ACT OF DELINQUENCY, THEFT, OR STATUS OFFENSES

Any extra/co-curricular student arrested or detained will be suspended from participation pending investigation of the incident. An appointed council will meet in relevance to the law enforcement investigation to determine eligibility moving forward.

The school administration would always be the determining authority and would always have the option to not offer the student and/or parent/guardian the alternative counseling program if the severity of the violation was such that automatic expulsion was the only responsible course of action. In all cases, the school administration will be the final authority.
